

POISONCREEK

About us

Welcome to our ever evolving sculpture adventure. Based in the hills of stunning Central Otago our Poison Creek Sculpture Project celebrates and supports Aoteroa New Zealand's finest sculptors and rising stars.

You can stay at our Whare Iti, visit by appointment, or join us on open days. We encourage our guests and visitors to roam, discover and enjoy the sculptures in this dramatic landscape, or, as often happens, fall in love with a work and take it home.

Our artists in residence programme allows us to host artists on site and give them the chance to connect with nature and gain new perspectives and inspiration.

Purchasing artworks

Works for sale are indicated in the catalogue. Payment must be made in full before works can be uplifted at the end of the show period. Insurance and transport is the responsibility of the purchaser, but we can provide advice. Installation is at the purchaser's expense and will vary according to the work and the site.

Commissions

We can arrange commissions, editions and source other works by the artists on show.

Entry

Entry is by koha.

Health and safety

Children must be closely supervised at all times. The ground is sloping and uneven in places. Only suitable for all terrain buggies. Remain within the fenceline. This property is smokefree due to fire hazard. Do not climb on sculptures or attempt to touch kinetic works. Do not enter roped off areas.
